Joint Director (W)

Minutes of Meeting regarding "ASHIRWAD" Portal New Version Changes-dated 29-5-2014, held under the chairmanship of Secretary, Department of Welfare of SCs and BCs, Punjab.

List of participants attached at annexure 'A'

Issues discussed and decision taken:-

1. Uploading of photographs, caste certificate, and income certificate to be made mandatory for every student while applying online for scholarship.
  2. All the master data including Institute details like courses and fees should be vetted by the line departments. The data should be operational only after the vetting by the line Department. By 15th July, 2014 all the master data should be freezed by the line Departments. After freezing the master data, any change will be done in master data at level of line Department after the consultation with NIC/Welfare Department.
  3. Once the sanctioning authority of an institute fixed in the beginning of the academic year should not be changed by the line department during the course of the academic year. Only one sanctioning authority is allowed for one institute.
  4. Validation on mobile number to be made available in the software so that mobile number does not exceeds 11 digits including one prefix '0' and minimum of 10 digits without '0'.
  5. As it is difficult to implement the changes in the application as required by the line departments frequently, however if any line department has to suggest some changes it should come to NIC and discuss the changes required. However NIC will only make/implement the changes after the approval from the Welfare Department.
  6. After login by the students and the institutes certain important instructions should be displayed so that they are brought to the notice of the students. For e.g. in case of the students, below instruction should be displayed: -
    - (a) Student should remember his/her username and password to be used in the subsequent years
    - (b) In Punjab the Muslims and Christians come under OBC category
    - (c) Uploading of Photo, caste certificate and income certificate is mandatory
    - (d) Bank account number for each student is unique.
    - (e) Mobile number and email id of the student should be entered by the student so that the status of their application is made available to them.
- And for institutes, it should be as: -
- (a) No institute will be allowed to forward its applications to the sanctioning authority until it has filled its bank account number on the portal.
  - (b) Institutes should forward the applications only after verifying the details such as parent's annual income of the student and caste certificate of the student.
7. The message for these mandatory fields should also be displayed while filling up of the scholarship form by the student.
  - (a) Uploading of Photo, caste certificate and income certificate is mandatory.
8. Dr. Amarjeet Singh Joint Director, Department of Animal Husbandry and Sh. Yugra Singh, Assistant Director, Department of Agriculture told in the meeting that Department of Welfare should contact and involve Registrar, Guru Angad Dev University of Veterinary Sciences and Registrar, Punjab Agriculture University, Ludhiana for registering the students studying in Veterinary and Agriculture courses respectively, during 2014-15.
